

3/8" Medium Bullnose Corner Bead

With a stylish 3/8" radius, the medium-sized Bullnose Corner Bead (formerly known as 350 Bull) provides a more subtle bullnose finish to corners than its larger-radius cousins. A perfect pick for those looking for an alternative to straight 90-degree corners. Like all our Bullnose profiles, its PVC construction allows it to stand up to abuse.

Installation Guide

Before Installation:

Measure, cut and dry fit the bead, leaving a 1/2" gap at the floor.

Step 1:

Coat both the bead and drywall with Trim-Tex 847 Spray Adhesive.

Step 2:

Press the bead in place, applying pressure to the mud legs.

Step 3:

Staple every 6"-8" using 1/2" staples.

Step 4:

Finish with drywall compound.
